

Autobody Fine Art is available to rent. Our light-filled gallery is the perfect space to hold a small to mid-size cocktail reception, a fundraiser, a birthday party, a business meeting, or just about any social occasion that's looking for a unique location.

We have chairs, folding tables, and pedestals of various sizes available (please call to confirm number). If needed, we recommend *Piedmont Party Rental* in Oakland who will also deliver and pick up from site for a fee.

We are happy to consult with you if you need a caterer, help with decoration, or any other element of planning your event. We will usually have an exhibition installed at the time of your event, but we are open to making arrangements according to your needs. We look forward to helping you make your event a great success.

A walk-through of the space is required prior to securing / booking your event. Please call us at 510.326.3043 or email silvie@autobodygalleryandstudios.com to schedule a site visit.
